Catering to the Northwest outdoor lifestyle

Natural landscape designs

Unique details and creative solutions in every room

As owner/operator of A-Mark construction, I give every project my personal attention from inception to completion. Thanks to low overhead and operating costs, my services are very reasonably priced. In addition to building a small number of custom homes every year, I specialize in custom kitchens, baths and outdoor living areas as well as custom interior/exterior painting. Please don't hesitate to call for a free initial consultation and estimate. Call 503-522-9995 to begin planning your dream.

Thanks, Mark Eimon
